

Meriam Park Overview > *Creekside Greenway & Habitat Preserve*

Neighborhoods | **Greens & Parks** | **Meriam Center** | **Timeline**

The greenway along Little Chico Creek will be restored and a portion of it is planned for passive recreational activities, including community gardens, bicycle trails, walking trails, a dog park and small playground.

A 40-acre area in the northwest portion of the site will be set aside as a habitat preserve for Butte County meadowfoam, a federally-listed endangered plant species, and associated vernal pool habitat.

Greenway along Little Chico Creek
